Trip # 11 – Lapland adventures (Levi)

20th – 27th February 2010
U-Fly!

You've always dreamt of it... Here is it! For the first time in its history, the club takes you to the North. We will be based in Levi, the finest of Finnish ski resorts, a world-cup alpine ski resort with 27 lifts and 44 runs thereof 15 with lightning, superpipe, halfpipe and snowpark. So, yes, downhill skiing (and snowboarding) is included, but not only. The true "Lapland adventures" experience is also about cross-country skiing (230km skiing tracks thereof 28km with lightning), ice fishing / snow shoeing, and visit to really exotic places like the Lainio snow village. Not to forget the numerous optional activities: husky-sledding, reindeer safaris, ice swimming, arctic diving, or snowmobiling (886km of tracks!!)... Imagine... Why not a night safari to a traditional Lappish hut where you'll be watching the mystical northern lights while cooking sausages (oh, how exotic for us Frankfurters) and testing the local specialties. And back to alpine or cross-country skiing the next morning, in the most natural landscape. After one week of that regime, you will never feel so fit.
Levi is easily accessible from Kittilä airport (8km), so don't hesitate too long and quickly book your flight. We will be staying in one of the best hotels of Levi. The Hotel Hullu Poro (the "Crazy Reindeer") is located in the centre of the village, very close to the slopes. It has numerous restaurants, cocktail bar and Porocks nightclub and (of course!) Finnish wellness area. Let our Finnish TC guide you through this unique experience, not to be missed. Snow and fun guaranteed!
